- Raffle prizes

*Sometimes an upside down world  
requires a different perspective*

**On Belay** is a unique program designed to fill an unmet need for children facing the upside down world of a parent, guardian or loved one dealing with cancer or other serious illnesses.

“Belay” is an old sailing term meaning to secure, to hold fast. In the world of climbing it refers simply to the use of a rope with a friction system to stop a climber’s potential fall. **On Belay** provides a balance of support and challenge for the Belayers designed to help them reach new heights.

We believe that optimism and hope are powerful wellness agents. **On Belay** combines the best of age-appropriate challenges with a variety of other activities designed to help Belayers regain a sense of personal power, security and control.
